

NEWSLETTER

February 2019

Mace intend to keep residents informed of upcoming construction works during the development of Westway Place.

The pedestrian walkway between Arthray Road and Church Way will be closed from the morning of Monday 11th February to the evening of Tuesday 12th February, while works to widen the walkway take place.

Due to the nature of the works it will not be possible to open the path overnight. The alternative pedestrian route from Arthray Road to Elms Parade and West Way will be along Westminster Way - this will be clearly signposted and banksmen will be in place to direct pedestrians accordingly.

We apologise for any inconvenience caused.

For more information, you can contact SDC's dedicated resident liaison phone on [07920 847 256](tel:07920847256). In case of an emergency, please call [0845 838 7627](tel:08458387627).
